

# 2018 Caribbean Cruise

The Grey Eagles and TWA Active Retired Pilots Association will be cruising again in 2018. The 7 night Western Caribbean cruise aboard the Celebrity Equinox is scheduled for departure from Miami on Saturday, December 1st and will return on Saturday, December 8, 2018. This spectacular itinerary included ports of call in Key West, Cozumel and Costa Maya, Mexico, and Georgetown, Grand Cayman.

We selected Celebrity for its world class reputation in quality and services and the complimentary Classic Beverage Package is a winner. Our event will include two hosted cocktail parties and we'll dine together each evening.

Prices start at \$1,458 per person for a Deluxe Ocean View stateroom with Veranda. We have a full selection of cabins with balconies, concierge class staterooms and lovely suites. Prices include all taxes, port fees, gratuities and the convention registration fee.

You can download the registration form for complete pricing here.
