

FROM THE DESK OF

Ed & Susy Madigan

February 5, 2022

Fellow TWA Associates,

I want to give you the latest update from the Treasurer's desk:

- 1) On Thursday Feb. 3, forms were submitted to the State of Nevada to dissolve the "TWA Retired Pilots Association".
- 2) Also, on Thursday I mailed a cover letter from Capt. Bob Kavula, along with a check for \$15,000, to the "Families of TWA flight 800" thanking them for their continued support in memory of our terrible tragedy.
- 3) On Friday Feb. 4th, with Capt Kavula's approval, we had a small lunch in Reno to thank those who worked so diligently on our fine "TWA Topics" magazine. In attendance were: Capt Bill Kirschner, Capt. Guy and JoAnne Fortier, Capt Ed & Susy Madigan, Vickie McGowen and Cathy Gillespie.
- 4) The final step will be when all outstanding checks have cleared the bank I will close our account and forward the remaining balance to the "TWA Museum" in Kansas City.

It's been a great career with TWA and an honor to serve as Treasurer of the Association for the past years. Please know that Susy and I will never forget your friendship and great times we all shared together.

Wishing you all continuing friendship and good health.

Sincerely yours,

Ed & Susy
